Startups pitch ideas at Big Tech Show 2022

Venture capitalists, mentors, advisors, business partners hear innovative proposals at Startup Showcase

Mysuru, Oct. 19 (RK&BCT)- Over 26 startups are displaying their technology, services, products and talent at 'Startup Showcase' and over 10 select start-ups are pitching their innovative and path-breaking ideas in front of investors, business partners and venture capitalists from Bengaluru and beyond at the Big Tech Show 2022 being held at Hotel Radisson Blu Plaza.

Sanjeev Gupta, CEO, Karnataka Digital Economy Mission, addressing the Big Tech Show at Radisson Blu Plaza Hotel in city this morning.

The two-day event opened this morning and is significant for Mysuru as the city is being projected as a hub for cyber security, semiconductor and Electronics System Design and Manufacturing (ESDM). The mega event is an initiative of Karnataka Digital Economy Mission (KDEM).

Today's first event was 'Mysuru Blue' that aimed to bring together startups, investors and venture capitalists. The startups that were given the opportunity to bounce off their ideas were selected after a stringent procedure. This particular event was modelled on 'Shark Tank', a television series featuring start-ups pitching their business ideas to investors.

Among the startups that presented their ideas was 'eAkrishya Innovations', founded by K.C. Mahesh. It is a startup that aims to create an ecosystem for electronic assets. The current issue is the lack of authorised players in the pre-owned PC market or the second-hand electronics handling market structure. Towards this end, they offer blockchain-based asset-tracking solutions.

Mysuru-Kushalnagar Railway Line

Survey completed from Mysuru to Periyapatna

Final report to be submitted to South Western Railway by November end

A team from the private company engaged in survey work for the Railway line near Periyapatna yesterday.

Kushalnagar, Oct. 19 (Akshay & BCT)- The survey work for the 87.2-km Mysuru-Belagola-Kushalnagar Railway line began a month ago and as per the field officers, half the survey has been completed. Survey teams have reached Kampalapura near Periyapatna and there is still halfway to go for the task to be accomplished.

In October 2020, the Chief Administrative Officer, Construction, South Western Railway (SWR), called for conducting a final location survey for the new broad-gauge line between Mysuru (Belagola) and Kushalnagar. The railway line was sanctioned on 27.2.2019 by the Ministry of Railways, for Rs. 1,854.62 crore. In the Union Budget 2022-2023, the Centre granted Rs. 1,000 crore for the project.

In August 2021, the SWR awarded the tender for the final location survey to RSPS Sipra Systems Private Limited, a Bengaluru-based company, at a cost of Rs. 1.26 crore.

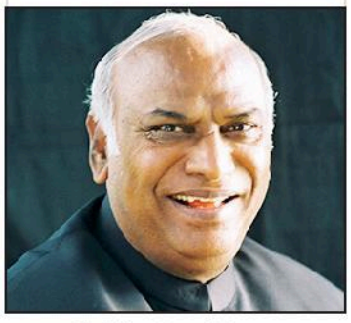
Kharge sweeps AICC President poll

Shashi Tharoor gets 1,072 votes out of 9,385



Mallikarjun Kharge

New Delhi, Oct. 19 (Agencies)- Congress leader Mallikarjun Kharge swept the AICC (All India Congress Committee) Presidential polls this morning, paving the way for him to become the Congress' first non-Gandhi President in over two decades.

Kharge will replace interim Congress Chief Sonia Gandhi, who has been occupying the post ever since Rahul Gandhi stepped down after the 2019 Lok Sabha elections.

In what appeared to be a slip of tongue, Congress leader Rahul Gandhi today responded to a question referring to Mallikarjun Kharge as the new Congress President even before the election results were declared. When asked what his role will be in the party, Rahul said: "My new role is for the Congress President to decide... ask Khargeji".

Counting of votes is currently underway and it is widely expected that Kharge will emerge victorious in the election, one that is being held by the party after over two decades.

EDITOR'S BOTTOMLINE

We all come and go the same way. We have no knowledge of where we have come from or where we are going. It is only the interim we are aware of, the consciousness, that we term life. Life is a flicker between the darkness of the womb and the darkness of the tomb and in this flickered existence we need to live and love and make it worthwhile. Indeed some of us are born under better circumstances that facilitate our existence and others under less felicitous circumstances where they need to build a life of their own and justify their existence. There are also drifters who take life as it comes with no volition of their own.

Whatever it is, we all come with a particular trajectory of life and our journey leads us to our destiny. Life is not a linear expression. There is no pattern to life, no predictability, no blue print we can turn to. What we consciously know is the present and every moment needs to be lived wholeheartedly with enthusiasm and compassion. No life has ever been simple, we will be beset by tragedies and unforeseen accidents, we will have anxious moments and endless grief. There will be fortuitous moments when we survive tragedy and remember our trauma and pain and offer prayers of gratitude.

Artist hides optical illusions in plain sight

Beijing: A 33-year-old artist from Chenzou in China, has been getting a lot of attention for turning trees, utility poles and road signs into optical illusions that blend into their backgrounds.

Huang Yao is a talented 3D painter who showcases his skills by turning local infrastructure and plant life into original artworks. The young Chinese specialises in creating perfect camouflage for his creations, which makes them blend into the background perfectly. But that would mean that most people either walk right by them without even noticing his stunning work, or run straight into them and injure themselves. Neither case is ideal, so Huang usually adds certain elements to make his optical illusions stand out.

150 lit candles in mouth for Guinness Record

Idaho: An man held 150 lit candles in his mouth for 30 seconds to break a Guinness World Record.

David Rush from Idaho, who has broken nearly 250 Guinness World Records to promote STEM education, said he previously attempted the same record in December, but failed when some of the candles fell out of his mouth.

Rush said he wore eye protection during the attempt, but he still had to struggle with smoke inhalation and the candles becoming slippery from his saliva. "Only 5 seconds in I could feel them slipping out so I had to clamp down even harder and bite in with my teeth to keep them from falling out," he said. Rush successfully broke the record of 105 candles, which was set by North Carolina man Garrett James in 2021.

REALLY...?

- ***Before the advent of the widely used wooden power pole, our country was quite literally in the "dark" ages. The revolution started with a failed experiment in running underground telegraph lines. In 1844, with a grant from Congress, Samuel Morse began burying line between Baltimore, MD and Washington, D.C. Unfortunately, the experiment was a failure—the cable did not reliably carry a signal. As a remedy, Morse strung it on poles overhead. When home delivery of electricity became the norm, wooden poles made the most sense for distribution.***

Custodial death of Adivasi Kariyappa

Govt. committed to protection of Adivasis in State: Shivanna

Safai Karmachari Commission Chairman calls on deceased Kariyappa's family

H.D. Kote, Oct. 19 (TRR)- State Safai Karmachari Commission Chairman M. Shivanna has said that the State BJP Government led by Chief Minister Basavaraj Bommai is committed to the protection of Adivasis in the State. Hence, Adivasis need not worry about their safety, he added.

Kariyappa

He was speaking after visiting the house of Kariyappa in Hosahalli hamlet of the taluk, who died while he was in the custody of Forest Department officials. He offered his condolences to the family members and sought complete information from the Police.

"The Chief Minister has come forward to provide justice to Kariyappa. An enquiry is being conducted by the Deputy Superintendent of Police (Dy.SP) and truth about the incident will come out after the probe," said Shivanna.

Stating that a humanitarian approach by the Forest Department officials would not have created this situation, he wondered how can they kill a Adivasi.

"Adivasis are innocent people. If they commit any crime, let them take action as per law. Because of their atrocities on Kariyappa, this family has come to streets now," he rued.

"Many leaders and high level officials including District in-Charge Minister will visit the hamlet and solve the problems of the tribal people. Adivasis should be given an important place in H.D. Kote taluk which is a reserved constituency. The money reserved by the Union and State Governments for the tribals are not being put to proper use. Had that been the case, the condition of Adivasis should have improved economically," he opined and directed the officials to prepare a special report in this connection and submit to the Government.

"When I was the Minister, a Cabinet meeting was held in the Hosahalli hamlet to take steps to solve the problems of tribals. If similar meetings are held continuously in this region, they are going to benefit the Tribals immensely," he said.

Kariyappa's son, who spoke on the occasion, said that had his father committed any crime, the Forest officlals should have taken legal action against him. But the officials have violated the law, he said. "It is already a week now since the incident took place but no action has been taken against the Forest Department staff," he lamented and sought justice for his family.

On the occasion, Safai Karmachari Commision Chairman Shivanna provided some financial assistance to the family of Kariyappa from his pocket.

Scheduled Tribe Department official Prabha Urs, Adi Jambava Corporation official Muniraju, Tahsildar Ratnambika, Social Welfare Department Officer Ramaswamy, Scheduled Tribes Welfare Officer Narayanaswamy, Sub-Inspector Jayaprakash and others accompanied the Chairman during his visit.

KPCC Working President demands suspension of guilty Forest Officals

KPCC Working President R. Dhruvanarayan interacting with the family members of Adivasi late Kariyappa during his visit to Hosahalli tribal hamlet under N. Begur Gram Panchayat limits in H.D. Kote taluk yesterday.

H.D. Kote Oct. 19 (TRR)- KPCC Working President R. Dhruvanarayan has demanded the suspension of Forest officials who are responsible for the death of Kariyappa, a resident of Hosahalli tribal hamlet under N. Begur Gram Panchayat limits in H.D. Kote taluk. He was speaking after visiting Hosahalli yesterday to console the family members of the family of Kariyappa. He also gave personal financial help to the family of the deceased.

"Strict action should be taken against the Forest Department officials who are responsible for the death of Adivasi Kariyappa. The moment an FIR is registered against guilty officials, they must be suspended from service. Even after 10 days, no action has been taken against the officials which is giving room for suspicions. Adivasis are innocent people who have maintained good relation with the forest and are protecting the forest region, it is deplorable that the Forest officials are committing atrocities on hapless Adivasis," said the KPCC Working President.

Charging the Forest officials for barging into the residences of Adivasis and committing atrocities on the inmates including women and children, Dhruvanarayan said that Adivasis are living in fear because of these harassments. "The Deputy Commissioner (DC) should convene a meeting of Forest officials and leaders of the Adivasis and instil confidence among the Adivasis so that they can lead their lives peacefully," said the KPCC Working President.

Nanjangud Congress in-charge Somesh, former ZP Member Ravi, Adivasi leaders Vijayakumar, Chikkanna, District Kuruba Community President Shivappa Kote and others were present on the occasion.

City of Circles: Erasing history

THEN AND NOW: ***Elgin Fountain near Lansdowne building and on Mysuru-Bengaluru Road (Fountain Circle).***

Sir,

Apropos to the news item, ***'The City of Circles'*** in *Star of Mysore* dated Oct.14, 2022. Though the decision of the Mysuru City Corporation (MCC) to beautify some Circles in the city is welcome, the decision to beautify the 'Fountain Circle' by removing the present fountain comes as a shock.

The artistically designed fountain located there is one of the oldest fountains in Mysuru and is of historic importance too. It is named the 'Elgin Fountain'.

One of the most beautiful fountains, it was initially erected at the present K.R. Circle and was called the 'Elgin Fountain' in honour of the visit of Lord Elgin, the Viceroy to Mysuru on November 20, 1895, to console the royal family on the bereavement of Maharaja Chamaraja Wadiyar on December 28, the previous year. The fountain was shifted from there to the present Dhanvanthri Road Circle where Dewan's Road meets after the statue of Krishnaraja Wadiyar IV was installed there by the Mysuru City Corporation. The statue of Krishnaraja Wadiyar was unveiled by Mysuru's famous Dewan and engineer Sir M. Visvesvaraya and it was named Krishnaraja Wadiyar Circle. Now, the Circle is popularly called K.R. Circle.

Following relocating of the fountain, the Circle at the junction of Dhanvanthri Road and Dewan's Road came to be known as the 'Fountain Circle.'

But, the fountain was again shifted from there to the present place on the Bengaluru-Mysuru Road, at the approach to Mysuru City, and the Circle was named 'Rajendra Prasad Circle' to mark the maiden visit of Dr. Rajendra Prasad, the first President of India, by the MCC by passing a resolution.

The then Municipal Councillors and other dignitaries received the President at this spot. The fountain was colourfully illuminated.

Over the years, the fountain came to be neglected resulting in minor damages to it and diminishing its beauty. Later on, the 'Rajendra Prasad Circle' came to be identified as 'Jeelani Petrol Bunk Circle' because of a petrol bunk located opposite the fountain.

The proposal now to remove this historic fountain and do away with the name of the first President of India in the name of beautification, will not only destroy a historic landmark in the city but also amount to showing disrespect to the prestige and honour of the first President of India. If the MCC wants to beautify this Circle, what it should do is repair the structure wherever some minor damages have taken place due to its neglect, give it a fresh coat of paint and further enhance the beauty of the place by illuminating the fountain as was being done in the earlier years and put up a decent sign-board.

As far as the proposed 'Azadi Ka Amrit Mahotsav' memorial, the MCC could find a better and alternative place on the same Bengaluru-Mysuru Highway beyond the 'Rajendra Prasad Circle' as many new places have come up recently at the approach to the city.

Hope good sense will prevail and the MCC will spare the 'Elgin Fountain' and retain a part of the history and heritage of Mysuru, which it proudly claims as a 'heritage city'. I hope the Heritage Committee headed by the Deputy Commissioner will take steps to preserve the Elgin Fountain and the name, 'Rajendra Prasad Circle', the late President of India.

Cyberverse teams up with IEEE to offer cyber security programmes

Chairperson of Cyberverse Foundation Trishikha Kumari Wadiyar exchanges the Memorandum of Understanding with Senior Director, IEEE India Operations, Srikanth Chandrasekaran as (from left) former Senior Director, CERT-In B.J. Srinath, Chairman of the Advisory Board, Cyberverse Foundation, Yaduveer Krishnadatta Chamaraja Wadiyar and former Technical Advisor, Government India, Prime Minister's Office, Dr. M.S. Vijayaraghavan look on.

Mysuru, Oct. 19 (OSR)- Cyberverse Foundation has signed an agreement with the Institute of Electrical and Electronics Engineers (IEEE) to offer cyber security certification programmes.

The programmes will be offered under the IEEE Blended Learning Platform (IEEE BLP) and to execute advanced and comprehensive programmes on cyber security that covers topics from IT essentials to cyber security skills, making the candidates industry-ready and suitable for employment in various industry sectors.

The agreement allows collaboration on courses to enhance skills in the cyber security domain. Cyberverse offers a portfolio of cyber security training programmes, ranging from basic courses to expert-level courses, catering to the needs of academia, industry, and government sectors.

Courses are consistent with the qualification packs of the National Skill Development Corporation and NASSCOM. As part of its cyber security skill development initiative, Cyberverse has established a state-of-the-art cyber security Phygital Lab in Mysuru and it is planning to establish several Centres of Excellence (CoE) across India over the next few years.

"The aim of this agreement is to jointly create cyber security courses, promote and train students and professionals, create job opportunities, and bridge the digital divide. IEEE-BLP aims to upskill young professionals in emerging areas such as cyber security", said Srikanth Chandrasekaran, Senior Director of IEEE India Operations.

The BLP certificate programmes are developed in conjunction with industry leaders and vetted by experts to ensure their effectiveness in content and learning experience. It is backed by micro-learning modules, application modules, and data analytics, ultimately leading to a joint certificate, which aims at bridging the skills gap.

"Cyberverse is delighted to partner with IEEE, a globally recognised leader in the realm of technology, in developing a deep pool of cyber security professionals in India and beyond", said Yaduveer Krishnadatta Chamaraja Wadiyar, who is the Chairman of the Advisory Board, Cyberverse Foundation.

State-level JD(S) Consultation Meet inaugurated in city

'Pancharatna Ratha Yatre' from Nov. 1

Former Chief Minister H.D. Kumaraswamy and JD(S) State President C.M. Ibrahim lighting the lamp to inaugurate the two-day consultation meet of the Party at a private resort on city outskirts this morning as K.R. Nagar MLA S.R. Mahesh, MLC C.N. Manjegowda and other leaders look on.

Mysuru, Oct.19 (RKB&TRR) - Former Chief Minister and senior JD(S) leader H.D. Kumaraswamy said that the Party will launch a unique 'Pancharatna Ratha Yatre' on Nov. 1, to create awareness about five unique people-friendly programmes of JD(S).

He was speaking to press persons at a private resort on the outskirts of city, before inaugurating the Party's two-day State-level JD(S) Consultation Meet from today. A CD and website about 'Pancharatna Yatre' was released on the occasion.

Kumaraswamy said that a workshop for Party's 126 probable candidates will held in Mysuru. "The shortlisted candidates have been directed to work in their Constituencies and establish good rapport with the voters. In today's State-level Meet, we will review the progress made by them in this direction," he added.

Pancharatna Ratha Yatre

"JD(S) is giving a set of programmes for the people of Karnataka which was not given so far by any political party anywhere in the country. Pancharatna is all about giving free education, free healthcare, special programmes for farmers, job for every family and also a house for every family," he added.

To create awareness the about Pancharatna programmes of the JD(S), Pancharatna Ratha Yatre is being launched on Nov.1, which will traverse across the State for six months and convey Pancharatna programmes of the party to every household of the State, Kumaraswamy said.

"On Nov.1, the Ratha Yatre will be launched from Mulabagilu of Kolar District, by offering pujas at Ganapathi and Anjaneyaswamy Temples, as per the wishes of JD(S) supremo H.D. Deve Gowda. The Pancharatna Ratha Yatre will cover 120 taluks of the State and we will stay at villages during the Yatre. The Yatre will be held in four phases continuously to highlight the need of a regional party for the welfare of the people of Karnataka," Kumaraswamy added.

Speaking after inaugurating the Consultation Meet, Kumaraswamy said that this meet is being held to exchange information about conveying the message of Pancharatna Ratha Yatre to the people of the State. "Our party intends to win 126 seats in the coming elections and we need to prepare ourselves in this direction," he concluded.

State Party President C.M. Ibrahim, MLAs S.R. Mahesh and C.S. Puttaraju, MLC C.N. Manjegowda, other MLAs, MLCs, JD(S) District Presidents and Party leaders were present on the occasion.

Kharge sweeps AICC Prez poll

(Continued from page 1)

Kharge received 7,897 of the total 9,385 votes while his opponent, Shashi Tharoor, trailed behind with 1,072 votes.

While Kharge is considered the firm favourite with his perceived proximity to the Gandhis and a large number of senior leaders backing him, Tharoor has pitched himself as the candidate of change.

The high-stakes contest between the two veteran leaders drew a massive turnout of voters Monday with close to 96 per cent of Pradesh Congress Committee delegates casting their ballot, according to the party. Of the 9,915 PCC delegates, 9,385 cast their votes across State capitals, including 87 at the AICC headquarters and 50 at the Yatra camp site.

Sexual assault and murder of girl by tuition teacher

ADGP Alok Kumar lauds Police for swiftly arresting the accused

Alok Kumar

Malavalli, Oct. 19- Additional Director General of Police (ADGP) - Law & Order, Alok Kumar, who chaired the public grievances meeting, organised by Malavalli Police in the town, has lauded Malavalli Police for arresting the accused tuition teacher quickly, who had sexually assaulted a 10-year-old girl, murdered her and had dumped her body into a sump of an under construction house on Mysuru Road in the town.

The ADGP appreciated Superintendent of Police (SP) N. Satish, Additional SP Venugopal and Dy.SP Naveen Kumar for guiding the Police team to initiate quick action leading to the arrest of the accused.

The ADGP, who visited the house of the victim earlier, consoled the family members and even interrogated the accused personally in the Police Station.

Addressing the meeting, ADGP Alok Kumar urged the public to join hands with the Police as it is the responsibility of the public and the Police to prevent such crimes. Urging the public to co-operate with the investigating officers, he said that the Government has taken the crime seriously besides stating that steps would be taken to see that the accused gets the stringent punishment. The ADGP also urged the public to inform the SP or the Dy.SP in case they come across any crimes so that the Police can initiate action quickly.

Meanwhile, Karnataka State Women's Commission Chairperson Pramila Naidu, who also spoke, has demanded stringent punishment for the accused tuition teacher. She said that even stringent punishment was not enough for the accused who had murdered the little girl.

Pramila Naidu also visited the house of the deceased girl and consoled the family members.

Karnataka State Women's Commission Chairperson Pramila Naidu, IGP (Southern Range) Pravin Madhukar Pawar, SP N. Yatish, ASP Venugopal, Dy.SP Naveen Kumar, Inspector Rajesh, Circle Inspectors Jagadish and Sridhar and others were present.

DDPI warns teachers conducting tuitions illegally

Deputy Director of Public Instruction (DDPI) Javaregowda has warned of registering cases against teachers who are conducting tuitions illegally without obtaining necessary permission. The DDPI, who has issued a circular to identify illegal tuition centres in the district, has instructed the officials concerned to initiate legal action against such centres and warned of taking action against teachers of Government, aided, unaided schools if they are found conducting tuitions illegally.

He has urged the parents to be careful while sending their children to tuitions or outside.

Accused is not a teacher

Meanwhile, the report from the Block Education Officer (BEO) submitted to the DDPI has revealed that Kantharaju, the accused tuition teacher is not a qualified teacher and his tuition centre was an illegal one.

The report further states that Kantharaju was earlier working at a tuition centre and following complaints of indecent behaviour by other lady teachers, he was sacked. Also, his wife and children, fed up from his behaviour, had moved out of the house.

Later, Kantharaju opened his own tuition centre illegally without obtaining necessary permission. Based on this report, the DDPI has issued an order to all BEOs to raid illegal tuition centres in the district and gather information about fake teachers.

Pothole claims pillion rider's life

Villagers urge authorities to make the roads motorable

Chayadevi

Srirangapatna, Oct. 19- A woman, who had sustained serious head injuries after the bike in which she was travelling fell into a pothole, has succumbed to injuries at a private hospital in Mysuru, where she was undergoing treatment.

The deceased woman is Chayadevi (21), wife of Karthik, a resident of Mahadevapura in the taluk. On Monday, Karthik and Chayadevi had come to Mysuru and were returning when Karthik lost control of the bike on the pothole-filled road near Taripura. Chayadevi, who was riding pillion, lost her balance and fell into a pothole sustaining serious head injuries while Karthik escaped with minor injuries.

Though Chayadevi was rushed to a private hospital in Mysuru, she succumbed to injuries yesterday at the hospital. Arakere Police have registered a case.

Meanwhile, villagers, alleging that Taripura, Mahadevapura and surrounding roads are filled with potholes and the recent rains have damaged these roads further, have urged the authorities concerned to get the roads repaired at the earliest before it snuffs out more lives.

Youth injured in road accident succumbs

K. Abhishek

Mysuru, Oct. 19 (RK&KS)- A 23-year-old youth, who had sustained serious injuries in a road accident in Pandavapura taluk on Sunday and admitted to a private hospital in city, has succumbed to injuries at the hospital Monday evening.

The deceased has been identified as K. Abhishek, son of Kempegowda and a resident of Hosayelekere village in Pandavapura taluk.

On Sunday at about 7 pm, Abhishek was proceeding on his Hero Splendor Plus bike near KEB Road at Kyathanahalli in Pandavapura taluk, when he was hit by another bike, resulting in Abhishek sustaining serious injuries. He was immediately rushed to a private hospital in Mysuru, where he succumbed to injuries at about 4 pm on Monday.

The body was shifted to MMC&RI mortuary, where post-mortem was conducted and the body handed over to the family members. Srirangapatna Rural Police have registered a case.

Survey completed from Mysuru to Periyapatna

(Continued from page 1)

The Railway line will begin from Belagola in Srirangapatna taluk of Mandya district and end at Koppa near Kushalnagar in Kodagu. It will pass through Yelwal, Bilikere, Uddur, Hunsur, Sathegala, Periyapatna and Doddahonnur to reach Koppa village.

Final location survey

Speaking to *Star of Mysore* during the survey, Ramaiah Easwaran from Sipra said that the land acquisition survey and rail track mapping survey have been completed for the entire route and at present, teams are undertaking the final land levelling survey. All these surveys are an integral part of the final location survey, which is the first important step that is carried out before any railway project is initiated.

"We conduct multidisciplinary investigations like topographical, gradient, geotechnical and hydrological. The consolidated data is used to finalise the route alignment and deviations. The exact land usage is identified that takes into account the complete land patterns including height, depth, undulation, levelling patterns, rivers, vegetation and streams, etc," he said. "We use ultra-modern instruments such as Differential Global Positioning System (DGPS), Total Station etc. and LiDAR (laser imaging, detection, and ranging) technique to conduct the survey," he added.

Once the survey is completed, the properties of the ground are used to design major and minor bridges, stations, culverts, slope stability of cuts, the stability of tracks and ground improvements.

Hitches for a smooth survey

The survey from Belagola to Kampalapura (about 45 km) was a smooth affair for the survey team as the land is plain without much vegetation or undulation. As the team neared Periyapatna, they have encountered vegetation and estates. "We are encountering heavy rains, vegetation, slushy land and such difficulties and as such, the survey work is moving at a snail's pace. We will take one more month and submit a report to the SWR by the end of November," Ramaiah Easwaran noted.

While one of the survey teams is doing the task near Kampalapura, the other is surveying the Periyapatna areas. The survey is being undertaken after measuring the Mean Sea Level and one reading is taken at an interval of 20 metres.

The project was originally mooted till Madikeri over 100 years ago and was shelved after a survey commissioned by the Railways deemed the route to be unprofitable. The project, however, was rejuvenated much to the chagrin of environmentalists who have opposed the project saying that the line will obstruct the natural flow of River Cauvery.

Mysuru-Kodagu MP Pratap Simha relentlessly followed up with the Ministry of Railways to get the project approved and moving and got it listed in the Pink Book 2018-2019. Pink Book is a document that catalogues all the transactions made and contains relevant information on the distribution of funds for future initiatives. The approval for the project was accorded when Piyush Goyal was the Railway Minister.

Teenager dies of burn injuries

Yashwanth

Mysuru, Oct. 19 (RK&KS)- A 13-year-old boy, who had sustained severe burn injuries and admitted at the burns ward of K.R. Hospital, has breathed his last at the hospital.

The deceased is Yashwanth, son of Raju and a resident of Shambunahalli in Pandavapura taluk.

On Sunday at about 11 am, Yashwanth was playing with the foam spray used in parties when the foam accidentally caught fire and engulfed Yashwanth, resulting in him sustaining about 90 percent burns.

He was rushed to K.R. Hospital in Mysuru, where he was being treated in the Burns Ward, but he breathed his last at about 6.30 am yesterday.

A case has been registered at Pandavapura Police Station.

City Medico shines in Swimming

Has more than 100 medals and prizes to his credit

Omkumar, who bagged first place in Inter-University Swimming Competition recently, being greeted by Dr. K.R. Dakshayani, Dean and Director, MMC&RI. Also seen are Dr. S. Chandrashekar of Student Welfare Committee, Sports Department Chairman Dr. Sathish Kumar and PE Teacher Manju.

Mysuru, Oct. 19 (GA&TRR)- Omkumar, a city Medical student, has reached great heights in his sporting career by winning more than 100 medals and prizes in various State, National and International level Swimming Competitions.

Hemakumar and Suchitra, residents of J.C. Nagar in city, are the proud parents of Omkumar who is a fourth year student of Mysore Medical College and Research Institute (MMC&RI)

Omkumar, who is into Swimming since the age of 5, has so far participated in World Championship, Asian Games, All India Open category, Aquathlon and Triathlon events and has come out in flying colours.

The 22-year-old Medico has secured 64th rank in World Championship and 11th rank in Asian Games. He came first in the All India Open Swimming Competitions held in 2018.

At an Aquathlon event held in Chennai, Omkumar won third place in 1.5-km Swimming, along with a 5-km running race.

At a Triathlon event held in Kerala which included 1.5 km Swimming, 40-km Cycling and 20-km Running, he secured 14th rank.

My parents are encouraging me in both sports and studies. I would like to thank MMC&RI Dean Dr. K.R. Dakshayani, Lecturer Sarika and Dr. Chandrashekar of Student Welfare Committee for my achievements. I aim to make it big in the field of sports."

– Omkumar, Swimmer

Apart from these, he is winning the first prize in 16 categories at the Inter-University competitions for the last four years.

Omkumar still trains daily at the Swimming Pool of Chamundi Vihar Stadium without fail. He has reserved his time for studies and in addition, workouts at Gym daily for an hour.

Iron Man Challenge

Iron Man Challenge competitions will be held in November 2023 at Goa and the winner of this competition will get an opportunity to participate in International Iron Man Competitions to be held at America later.

The Goa competition includes 1.5-km of Swimming, 90-km Cycling and 21-km Running. The more difficult Iron Man Challenge to be held in America includes 3-km Swimming, 180-km Cycling and Running of 42-km.

Presently, Omkumar is aiming to participate in Goa Iron Man Challenge and hoping to gain entry to participate in the American Iron Man Challenge.

Dean reacts

"Omkumar has brought laurels to our Institution and has balanced both sports and academics. By going through both success and failure in the field of sports, sportspersons develop their personality. Sports in a way helps Medical students to imbibe humanitarian values," said Dr. K.R. Dakshayani, Dean and Director, MMC&RI.

Roger Binny appointed new BCCI President

takes over from Sourav Ganguly

Mumbai, Oct. 19- World Cup winner Roger Binny was yesterday elected as the 36th President of the BCCI, taking over from Sourav Ganguly, to run the world's richest Cricket Board.

Binny, 67, was elected unopposed at its AGM (Annual General Meeting) here alongside Jay Shah, who was re-elected as the Secretary for a second successive term.

The other office-bearers who were elected unopposed included Treasurer Ashish Shelar, Vice-President Rajeev Shukla and Joint Secretary Devjit Saikia.

Binny, in his recent stint, was the Karnataka State Cricket Association President and will now leave his position in the State body.

Binny, who played 27 Tests and 72 ODIs for India, takes charge ahead of the ODI World Cup in India next year. However, there was no discussion on the Chairmanship of the International Cricket Council (ICC). The next ICC Chairman will be elected during the Board meeting in Melbourne next month.

Newly-elected BCCI President Roger Binny (left) with Treasurer Ashish Shelar during the 91st Annual General Meeting in Mumbai.

"As far as India's representative to the ICC is concerned, it will be decided by the office-bearers. There was no discussion on the ICC Chairmanship. Only matters on the agenda were discussed," a State unit official who attended the AGM said.

It is unlikely that the BCCI will nominate its own candidate for the ICC Chairman's position, with the Oct. 20 nomination deadline approaching.

Wins silver in swimming

He has also won a silver medal in 100m butterfly competition organised by the Department of Public Instruction, Karnataka, at Basavanagudi Swimming Pool, Bengaluru and also he will represent Karnataka in the upcoming National Swimming Competition.

He is trained under P. Pavan Kumar at Global Sports Association in J.P. Nagar, Mysuru.

B.R. Nitesh Singh

Nitesh Singh, an 8th standard student of DGTM Educational Institution, Chamundivana, Mysuru, is the son of B.R. Raghavendra Singh and Gayathri, residents of Chamundipuram.

Excels in wrestling

Mysuru, Oct. 19- City's Saqlin Mushtaq has bagged 1st prize in wrestling (86 kg) contest in the Mysuru Division level Dasara Sports Meet 2022-23 held at Mangaluru recently. He had also bagged second place in the District-level Dasara CM Cup Sports Meet (2022-23) wrestling (Men). He is the son of Khaleel Qureshi, who is also a wrestler and a resident of Usmania Block, Ghousia Nagar, Udayagiri.

Fair Price Shop owners stage protest against harassment

Mysuru, Oct. 19 (PM&TRR)- Alleging harassment by the workers of Karnataka Rashtra Samiti (KRS) Party, about 80 Fair Price Shop owners staged a protest in front of Deputy Commissioner's Office on Tuesday demanding suitable action against them.

"The workers of KRS Party are frequently harassing the 1,069 Fair Price Shop owners of Mysuru city and district by intruding into the Fair Price Shops and preventing us from distributing food grains to the card holders. They demand accounts, do stock checking, record videos, use filthy words against the Fair Price Shop owners and are behaving like rowdies," they alleged.

"Our State Association has given memorandums in this connection to the Commissioner and Assistant Commissioner of the Food and Civil Supplies Department," the protestors said

"We are distributing food grains as per rules since 1956 through 20,000 Fair Price Shops. But of late, the workers of KRS Party are shouting at us in front of card holders and calling us thieves. They are also sending videos to the Department officials. Who have given them the rights to do all this? The authorities can take action against us if they receive complaints from card holders," they said and appealed to authorities concerned to take action.

Sundarappa, Nazarbad Ravi, Nataraj and others participated in the protest. Later, they submitted a memorandum to the DC and called off their protest.

Wild elephant raids Fair Price Shop

Saragur, Oct. 19- A wild elephant, which raided a Fair Price Shop located at Manuganahalli in Saragur taluk on Monday night by breaking open the rolling shutter of the shop, has damaged many equipment besides ransacking food grains stored in the shop.

The elephant, which raided the Fair Price Shop belonging to Padmamba, feasted on about 20 sacks of ragi besides damaging a laptop and weighing equipment.

Villagers claimed that the wild elephant has also damaged crops and solar fence at several places before raiding the Fair Price Shop. They urged the Forest Department authorities to prevent wild elephants from straying out of the forests. Range Forest Officer (RFO) Madhu Mahadevaiah and staff, Food Inspectors Veda Kumar and Anasuya conducted an inspection.

A case has been registered at Saragur Police Station.

Construction workers seek fulfilment of their demands

Mysuru, Oct. 19 (PM&TRR)- Karnataka State Construction Workers and Quarry Workers Association (AIUTUC) staged a protest on Monday against the Government's decision to release Rs. 433 crore from Karnataka State Building and Other Construction Workers Welfare Fund to Slum Clearance Board. They demanded its withdrawal and also urged to fulfill their other demands.

The protestors, who gathered in front of Deputy Commissioner's Office, also demanded that Rs. 2 lakh be paid directly to the Bank Accounts of construction workers who have applied for subsidy to construct their houses, as per rules.

Alleging irregularities by the Labour Welfare Board in the procurement of food kit, booster kit and tools kit, provided during COVID-19 pandemic were of poor quality, they demanded a judicial probe into it. They also urged that the present Centre for Human Genetics (CHG) scheme be scrapped and instead, the registered construction workers and their families be provided with State Government Arogya Sanjeevani-2021 as a cashless service or Employees State Insurance (ESI) as a cashless facility. District General Secretary of the Association K.G. Somaraje Urs, District Secretary Mujahid Pasha, Vice-President Shivanna and others took part.

Residents of Ekalavyanagar continue their protest for Title Deeds

Mysuru, Oct.19 (MTY&TRR)- Residents of Ekalavyanagar led by the Dalit Sangharsha Samithi (DSS) continued their ongoing protest demanding Title Deed for dwellers who have submitted applications under Akrama-Sakrama scheme. The protest entered its 38th day today.

Activists of Karnataka State Farmers Association and progressive organisations lent their support to the residents of Ekalavyanagar by participating in the ongoing protest near Deputy Commissioner's Office on Monday.

"The nomadic community members are residing at Ekalavyalanagar in the city outskirts for many years with their family members. Government land was identified to allot them sites in the same area. But some private members are conspiring to grab the land meant for these people and they have the backing of some vested interests," the protestors alleged and urged that the Government should immediately respond to the demands of the residents.

"The authorities have deprived us of a permanent place and are repeatedly shifting us from one place to another. Now, we are staying in Ekalavyanagar as directed by the officials. The land where we are living now is a Government land and the officials should give Title Deeds to us under the Akrama-Sakrama scheme," they demanded.

State Farmers Association leaders P. Marankaiah, DSS District Convenor Choranahalli Shivanna and others extended support to the ongoing protest by the nomadic community.

Hope for Men with Azoospermia!

The general perception is that if the man produces semen it always contains sperms. This is not true. Unfortunately, a number of men coming to Gunasheela Fertility Centre even refuse a semen test with this assumption. There are instances where the man is able to produce semen but it does not contain any sperms. Azoospermia is a condition where there are no sperms in the ejaculated semen. There are two types - Obstructive Azoospermia and Non-Obstructive Azoospermia. In Obstructive Azoospermia there will be normal sperm production in the testis but there is obstruction to the flow of sperms at various levels. The blockage could be anywhere between the testis and the urethra

Dr. Devika Gunasheela

(urine passage). Infection, injury or surgery (for hernia or hydrocele) of the genital tract may result in this condition. As a result there will be no sperms in the ejaculated semen. The blockage can be bypassed by surgery or sperms obtained using a fine needle directly from the testis. Sperms are retrieved in almost 100% of patients. These sperms can then be used for injecting the wife's eggs in a procedure called IVF –ICSI.

In Non-Obstructive Azoospermia there is a problem with production of sperms in the testis. The exact cause is not known in most of the cases but Radiation, Chemotherapy, Mumps infection in childhood, Hormonal deficiencies may result in this condition. A new procedure known as Micro dissection Testicular Sperm Extraction (Micro – TESE) is used to retrieve sperms so that these men can have their own biologic child. Using Micro-TESE sperms can be obtained in upto 60% of these patients. The sperms obtained by either techniques are used in a procedure called IVF-ICSI (test-tube baby). The pregnancy rate from this technique is similar to that achieved in IVF-ICSI using normally ejaculated sperms. Many patients have been treated this way successfully and we have had the first baby in the state with the Micro-TESE surgical procedure. WORD OF THE DAY

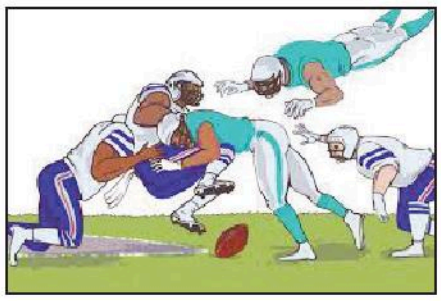
Languid



Pronunciation: LANG-gwid.
Meaning: Languid means "showing or having very little strength, energy, or activity." It is generally used in formal and literary contexts.
Origin: Lack, lack, lack. Languid is all about lack. Depending on its context, the word can suggest a lack of strength, lack of energy, or lack of activity. The lack-of-strength sense of languid describes the kind of sluggishness that often results from fatigue or weakness, as in "the illness left her feeling languid." The lack-of-energy sense is synonymous with listless, and often describes someone's character or disposition as a result of dissatisfaction or sadness. Lastly, there's the lack-of-activity sense of languid, as in "investors are worried about the languid stock market." So languid is a total bummer, right? Not so (ahem) fast! Sometimes it's a good thing to dillydally, and languid has also long been used to describe stretches of time—think afternoons, days, summers, etc.—that are relatively and perhaps pleasantly chill.
Example: "Wölffer's rosés—the company now has eight varieties—have become a fixture at backyard parties and beach picnics, a symbol of languid days on Long Island's South Fork." — Alex Williams

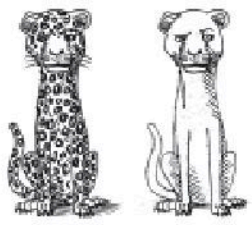
PHRASE OF THE DAY

A leopard never changes its spots



Meaning: The phrase "A leopard never changes its spots" means that it's impossible for one to change their character, even if they will try very hard. The expression, sometimes also used as "a leopard can't change its spots", is used to explain the idea that no one can change their innate nature.
Origin: This meaningful phrase dates as far back as the Old Testament. It was used in Jeremiah 13:23, where the Hebrew prophet Jeremiah had originally said: "Can the Ethiopian change his skin, or the leopard its spots?" "A leopard never changes its spots" derives directly from that phrase and is still used today.
Example: "The teacher tried to be kind to her students, but a leopard can't change its spots, she was still very mean."

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
